

## TYPHOON FELIX MOUSE

### PRODUCT SPECIFICATION

#### Introduction

A first choice for many basic users, the Typhoon Felix mouse has a 3B Red translucent body which makes liven up your desk. Its high resolution optical sensor do away with the traditional troublesome mechanical ball which requires frequent cleaning if you want the cursor to move correctly.

Utilizing a 400 dpi resolution, the Typhoon Felix mouse offers accurate tracking on the screen and is perfect for all general works. The useful Scroll wheel will make your web browsing or reading long pages with ease.
